Dear Community Member,

On behalf of the Magnolia Historical Society, a non-profit community organization comprised of citizens interested in preserving and protecting the history of our community, this letter invites you to partner with the organization for its 1st Annual Founders Trivia event featuring Trivial Things with Tony Romeo. The organization's mission is to raise awareness of the historical society and promote community engagement. The organization relies on community partners to fulfill its mission.

The annual trivia event will be held on Sunday, November 16, 2025 at the Magnolia Community Center. This event is a critical fundraiser that helps provide programming and maintain our train station and park. Basket prizes for trivia rounds is one of the main highlights of the evening.

Businesses are asked to donate an item, gift certificate, or service. The contribution will be a valuable addition to a themed basket. For example, a donation of a gift card for a local restaurant would be perfect for the "Date Night" basket.

In appreciation of support, the following recognition can be offered:

- The business name and logo featured in the event program.
- Promotion on social media channels leading up to the event.
- Signage displaying the name at the auction table.

Supporting the organization will make a difference in achieving its mission. It will also provide valuable exposure for the business.

Donations can be submitted by Saturday, October 25, 2025. Item pickup can be arranged, or items can be dropped off at the Train Station during a meeting night. A donation form is attached for convenience.

Thank you for considering the request. The organization appreciates the time and support in making this first year's event a success. We would like to grow this event in the future to include a basket auction with many baskets, 50/50, and to be full catered.

Sincerely,

Jason Sawyer
